

TUXEDO SHIRT INFORMATION & ORDER FORM

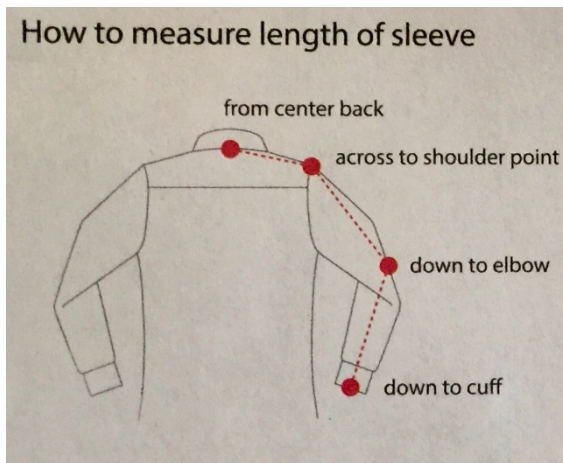

Deadline: Wednesday, Nov 8, 2017

Cost: \$20

Concert season will soon be upon us and all male students are **required** to own a **wingtip** collar tuxedo shirt with a **1/4 inch front pleat** to wear at all concert performances. Students may purchase a tuxedo shirt through the SLHS Band Booster, use one they already own, or buy one at a local business. If you already own a tuxedo shirt, please check to see if you have outgrown your shirt from last year – we know how quickly you grow! Please see tuxedo shirt sizing information and order form below. For your convenience, the same information is accessible in the SLHS band website in Forms under the Students tab. Students typically need only one shirt for use during our concert season.

For additional information, please contact Kristie MacNair at klmacnair@gmail.com.

TUXEDO SHIRT MEASURING GUIDELINES

Neck – Measure around the neck and add ½ inch to the measurement

Sleeve length – Measure from the center of the collar and follow the outside contour of the back and arm to the crease in the wrist.
